To receive Act 48 credit or hours, or a CPE credit, participants must attend the entire course or workshop, sign in and sign out, and complete the evaluation form, participate in classroom activities and complete all class assignments at the proficient level.

You have 3 days to complete the evaluation at the end of a workshop after that there is a \$10 fee to go back and upload the hours. If there is out of class work, it is due no later than 2 weeks from the end of the course.
