

VIDEOEDGE & VICTOR BASIC INSTALLER

PROCESS OF ENROLLMENT

STEP ONE

Before requesting enrolment for the VideoEdge & victor Basic Installer course, a candidate must have completed the following:

- Registered to the [American Dynamics Support Portal](#)
- Create a PO including the following: course name, course code/part number (**ADVVE5001**), course cost (**\$250**), name of candidate and email address of candidate

STEP TWO

To request enrolment for the VideoEdge & victor Basic Installer course, candidates must email acvstraining@jci.com requesting access to the course and **attaching their PO**.

STEP THREE

Once the candidate's PO has been verified, the candidate will be enrolled in the training course.

Candidates will be assigned the course within **48 hours** of booking.

Once they have been assigned the course, candidates will receive an automatic email containing instructions, similar to the following:
